

# Sweden-Latvia AI Camp

Partnership Opportunities

THE PHILOSOPHY

# Builders, Not Bureaucrats.

We are replacing endless meetings with 48 hours of pure, cross-border innovation.

Teams of developers, designers, and strategists will live together, eat together, and use AI-assisted tools to build functional prototypes that solve real business cases.

**LOCAL ACTION RIPPLE**

## LATVIAN FOREST RETREAT

## RESONANCE & INNOVATION

### THE ENVIRONMENT

# Ratnieki, Latvia

Located deep into the Latvian countryside, this prestigious university retreat forces disconnection from daily distractions.

No corporate boardrooms. Just raw creativity in the woods.

WHY PARTNER WITH US?

# Cross-Border Innovation

By aligning your brand with the Sweden-Latvia AI Camp, you tap directly into the momentum of inter

## Top-Tier Mentorship

Our diverse builders are hungry and ambitious, and they don't operate blindly. They are actively guided by top-tier technical and strategic mentors ensuring the highest standards and best practices are applied to every single line of code.

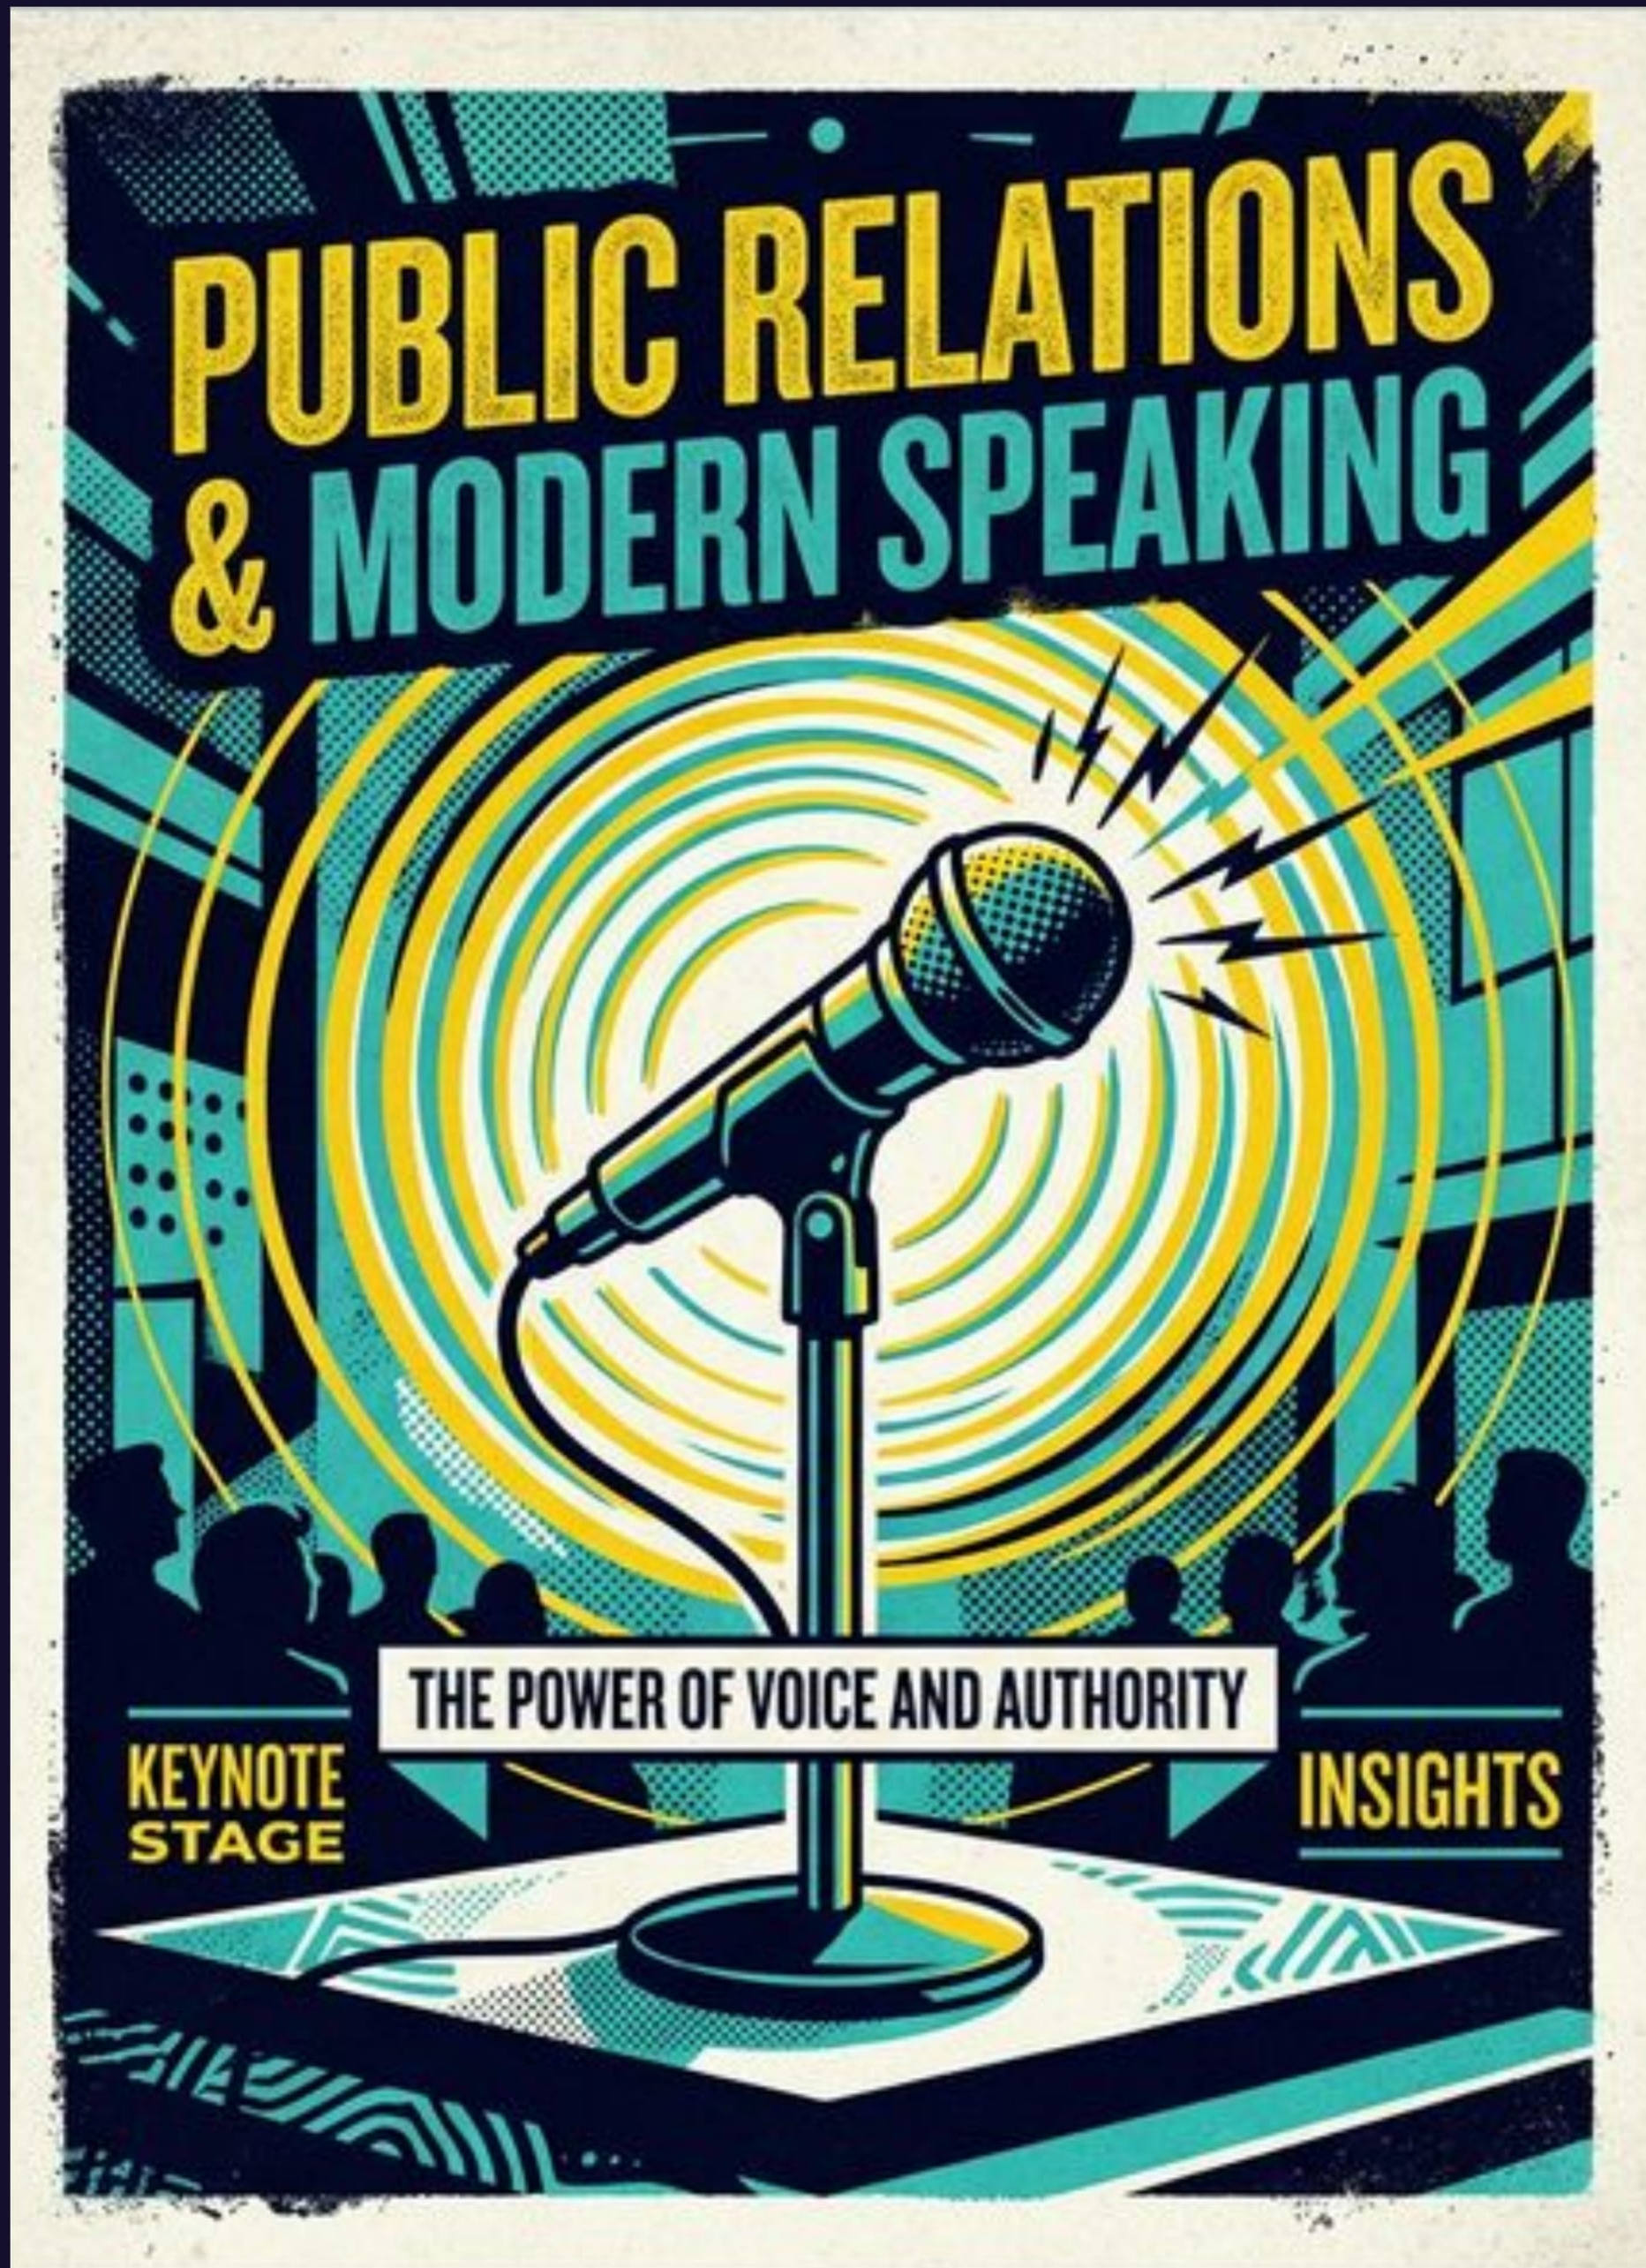

SPONSOR BENEFIT 01

# The Content Asset Package

We don't just put your logo on a banner.

We provide high-quality, professional photography of your software or physical products being used dynamically by our builders during the 48-hour retreat, ready for your marketing channels.

SPONSOR BENEFIT 02

# The Speaker & PR Package

Your leadership is invited to deliver a dedicated keynote presentation at one of our prestigious JCI meetings.

We will professionally record the entire speech and meticulously edit it into high-impact, short-form video clips customized seamlessly for your brand's social media channels.

SPONSOR BENEFIT 03

# The Innovation Package

Bring us your bottlenecks. Sponsors are uniquely positioned to submit their own real-world

Your Problem

Our Blueprint

THE FUTURE IS BUILT TOGETHER

# Become a Partner

Connect your brand directly to the leaders defining  
the next wave of AI integration across the Nordics and Baltics.
